

WE'VE TRAVELLED FOR DAYS

1. We've travelled for days, we've travelled so far,
We came from the East to follow a star.
They said 'You can't miss it!', they said we'd be fine,
But now we have lost the sign!
2. We've travelled for days, we're getting so sore,
We just can't go on – can't take any more.
They said 'You can't miss it!', they said we'd be fine,
But now we have lost the sign!
3. We've travelled for days, it should be in sight,
We don't make mistakes – this map can't be right!
They said 'You can't miss it!', they said we'd be fine,
But now we have lost the sign!
