Dear Friends,

Today's Gospel ends with the words, "and all people shall see the salvation of God" (Luke 3:6). What a powerful statement about the directness and responsibility that flowed from the words of John the Baptist, who was the one to announce Jesus' role to his hearers!

John belonged to a sect of Judaism known as the Essenes. They were very austere in their view of life, in the way that they lived and the demands they made on those who heard them. John made no claims on his own behalf; rather he described himself as the voice of one crying in the wilderness. "Prepare the way of the Lord, make his paths straight".

We will hear next week how this was to be practically fulfilled. John symbolically baptised Jesus as a direction to his followers. We are indebted to Pope John Paul II for reviving this image in the First Luminous mystery of the Rosary (an idea that originated with St. Dominic). The fruits of this call by God to ALL was the GIFTS OF THE HOLY SPIRIT. This would be the birth of what we now call the Church (i.e., the people of God who follow the way of Jesus – he is our teacher). Yet Jesus was never known as a baptiser, but rather a healer. In time the Holy Spirit would be manifest in his life and the Church would rise out of the witness that Jesus gave. That is our mission now.

### The Synodal Model of Church

The idea of a synod (Church gathering) is not new. There have been many synods in the various national Churches in history; usually to address some customs or values that were not accepted by the whole community. For example, in 664, the Synod of Whitby was called to agree on a method of setting the date for Easter. In this age of mass communication, it is obvious that no question remains the issue of a national Church; it's like the spreading of the Covid virus and no group or nationality are safe until ALL are safe. The room for disagreement, separation and crazy ideas is now in the hands of individuals so we should interest ourselves in the call for harmony. This is true of the Church also. Faith communities are having to reflect on their values and faithfulness to their teacher, who for us is Jesus. It is good to ask yourself, "Where do I stand in relation to Jesus' call to 'come follow me'?"

- ❖ Following on from the above, I would hope we can have a few meetings to reflect on our values at OLQH, either by Zoom or if practical face to face. I will be guided by the Health & Safety parish group. Sign up sheet in the porch or email Helen please. Pray and if possible, get involved.
- ❖ **The Divine Office**  
A complete edition of the above has been donated to the parish in three volumes. Anyone who would like to pray the Office regularly may have this set which is in very good condition.
- ❖ **"Thanks a million" to Dorothy and Tony.**  
For 35 years Dorothy and Tony Duhig have been very active members of this parish community. They have undertaken various roles; Dorothy as a hospital visitor and Eucharistic minister and Tony on the Finance committee and Gift Aid which has been an enormous success. Their reach went far beyond that of wise advisors, good neighbours and the glue that held many people together as friends. They will be leaving for their new house in Devon this week, where they will be near Jonathan and family. We shall miss you guys. Please pray for us as we will for you. Good health and happiness.
- ❖ The Parish Advent Reconciliation service will be held on Wednesday December 15<sup>th</sup> at 7.30pm.
