Cycle C for Sundays Year 1 for Weekdays Psalter Week 4

Newsletter 2649

Dear Friends,

Today we will celebrate Remembrance Sunday in honour of the many who gave their lives in the 1st and 2nd World Wars. A minute's silence will be observed to begin each mass. It is good for all to remember the sacrifices made by prior generations to enable us to live in freedom and side by side with people from many countries on the face of the earth. Once we lose the identity of the nation we lose our values and our soul. At this time in history, it is good to remember the sacrifices made by generations before our time.

This year, it coincides with the Consecration of the Basilica of St John Lateran in Rome. This is called the mother church of all Catholic churches throughout the world. It was first consecrated in 324AD and is the Pope's church. We look at St. Peters as it came on the scene much later and because it is so large surrounded by history and so many popes are buried there not to mention the marvellous artwork of Michelangelo in 1508-1512 in the Sistine Chapel; where Cardinals now elect the pope when one dies. That's where Pope Leo 14th was elected recently and there is a big gap in time between 324 and 1508. Again, it brings us to the topic of remembrance and how important it is in people's lives. No wonder we celebrate birthdays.

- ❖ We would like to warmly congratulate Paul Russell and Danielle Enwright who got married at the weekend at OLQH.
- ❖ Prayers at St. Peters Cemetery today at 3pm. If your friends and family are buried elsewhere we can still pray for them today.

God Bless you all,
Fr John
