

Our Lady Queen of Heaven: parishioner survey

As our wonderful parish continues to grow, it would be good to know how people are feeling about: opportunities to contribute, opportunities to get together socially and spiritually, and where we can do more to support each other and our community.

This work echoes the wider diocesan approach which brings about a greater focus on *formation*, *mission*, and *prayer* as we become new canonical parishes.

Please tick the boxes that apply to you and do provide further information on page 2 where needed.

Deepening our faith
